

2009 DAFFODIL PARADE

Talk about PERFECT parade weather!!! It was 70 degrees and not a cloud in the sky. We had the best club turn out to date with 10 cars in the Puyallup run and 6 in our first shot at the Sumner route. The crowd LOVED us and could hear us before they saw us! John and Colleen Justin lead our club with our sign displayed proudly in their window. The engine revs went up and down the line and you could see the heads turning

and could hear the comments of "I used to have one of those" or "I would love to have that car back." Don and Gloria's Mickey Mouse hands were a huge hit, although some kids thought they were the Hamburger Helper hands! We want to thank everyone who showed club support by showing up. A great time was had by all. There is no better way to start the '09 car show season. A huge thank you to Cheryl Prihar for organizing this for our club the last few years!
